Garuda Rakshak: Drone tech to find missing kids at Maha Kumbh

If a child goes missing, guardians can simply tap their ID bands at the Lost and Found Centre to activate the Garuda Rakshak system. The drone, armed with real-time geo-data from the child's wristband, springs into action, pinpointing the child's location within minutes.

The logo for Garuda Rakshak features the word "GARUDA" in large, bold, orange letters. The letter "A" in "GARUDA" is replaced by a white hand holding a red drone with a signal icon. The word "RAKSHAK" is written below "GARUDA" in smaller, blue, spaced-out letters.
